Hi Douglas, Emily, Kristen, Kate, John, Jeff:

The time stamp on the posting of the Oct 12 Caledonian Record article on the Coventry Landfill + PFAS issue appears to be 2 days and 13 hours ago (I pulled this Cision screen capture at 12:30pm on Monday) which means the story was posted to the site around 11:30pm Friday night; hence it was not in the clips I sent out on Friday morning.

Best, Paul

Regards,
